PRESIDENT'S MINUTE

During the month of March we have the opportunity to flex our civic and community responsibility muscles on two levels. Those who have said "yes" to an executive Board job or committee responsibility have the thrill of knowing they are providing the framework which allows this invaluable community musical organization to keep on serving music lovers in this Southern California area. On the second level, those of us who come to the recitals and participate in section meetings can have their say by voting at this month's meeting for the new slate of candidates. We have our own example of democracy in action! Many thanks go to the nominating committee of Nancy Sensenbach and Ruth Ridenour who spent much time on the telephone.

We, in the Tuesday Musicale family, were saddened to hear that our former President, Mary Lou Rotenberg, passed away on February 15, 2009 after fighting thyroid cancer since last June. She served as President from 2004-2006. Prior to that, she held positions as Membership Vice-President and Hospitality Vice-President. Her love for piano music propelled her first into the piano solo section and then also into the piano ensemble section. Mary Lou was also an active bass player. She was a long time member of the Santa Monica Symphony and the Doctor's symphony. We, in the TM Chamber section, had the fun of joining with her several times to play a Nonette by Spore or a quintet by Schubert. We will miss her upbeat, outgoing friendliness and extend our deepest condolences to her husband, Norman, and her family.
